.....

With reference to your letter No. 9775 dated the 12th June 1952, on the kabove subject, I have the hnour to point out the following difficulties for your consideratin.

As soon as a Civil Case is decided my office prepares two bills, one for expenses incurred in the case and the other for the fees of the Government Pleader or the Assistant Government Pleader or the Counsel that may be appearing in the case.

It has been observed that the Accountant General's Office issues one common cheque for the bills including expenses instead of issuing separate cheques. Hence it becomes difficult to follow the instructions given in the note of the Examiner, L.F.Accounts (U.O.R. To Government L.D.NO.L.17/1/2751 dated the 25th October 1949) onsequen tly the cheque is required to be credited in the P.L.A. and a separate cheque is required to be drawn for fees

fees of the Government Pleader or other Counsel as the case may be."

It may also be noted that many times the amount of ~~xx~~the advance bills is also credited in the P.L.A. as the whole amount of the advance bill is not required to be spent and the balance of the same is adjusted later on.

In view of the above, I have to request you to move the Accountant General, Bombay, to direct his office to issue separate cheque for fees in each case and also in the name of the individual signing the bill.

Under the above circumstances I request you to allow me to open ~~xxx~~ another account in any Bank that Government chooses to facilitate to draw cheques and credit the amount received from the Government for Advance bills in Civil Cases other than Permannent Advance. I may remind you of our personal talk in this respect where it was agreed to allow me to open another account.

This should be treated as immediate.

Yours faithfully,

Sd/- ...

Sir,

With refernce to the correspondence ending with your letter No. 9414, dated the 30th October 1952, on the above subject, I am directed to inform you that Government has once decided that no second banking account should be opened by you (vide Government letter, Legal Department No. 9775, dated 12th June 1952). There are no new grounds in your proposals which require reconsideration of that issue.

However, in order to tide of over certain difficulties experienced by you, I am to suggest that you should pay to the Revenue Depmosit Account such amount of the advance bill as is not likely to be spent immediately and the unspent amount so deposited may be drawn by you when necessary.

As regards the issue of separate cheque by the Accountant General, Bombay, I am to add that two separate bills one for fees under allowances and the one for law charges under contingenceis should specifically be preferred to the Accountant General, Bombay , with clear instructions to him on the other half reverse portion of the bill indicating that cheques may be issued in favour of the Advocates concerned indigidually by name to whom the amounts of fees billed for are required to be paid by your.

Yours faithfully,
Id/- E/B.
